2.	On 4 February, the Infanterie Kaserne on Dresdenerstrasse quartered about 2,000 troops who were red-bordered black epaulets, mostly with tank insignia. About 60 officers were observed among the troops. No training activity was noticed in and around the billeting area at the end of January, but about 180 troops, including some with tank insignia, were observed engaged in field training with rifles in the municipal forest south of the city on 4 February. The troops were supervised by 1 captain and 5 lieutenants, all of whom were tank insignia on their epaulets. Motor vehicles

The periodic strength estimates of the troops in the individual installations cannot be checked because of the lack of information by other sources. It therefore remains undetermined whether headquarters troops of the First Gds Mecz Army are stationed in Oschatz in addition to the components of the 9th Tank Div that are carried there.
